Assignment 2.1 :-

Assignment 2.2 :-

Practical 6 :-

The screenshot shows a web browser window with the title "B.Tech CSE" in the tab bar. The URL in the address bar is "http://127.0.0.1:5500/Practical_6.html". The main content area has a dark blue header with the text "B.Tech in Computer Science & Engineering". Below this is a light blue section containing a box with the heading "About B.Tech CSE". It describes the program as a 4-year undergraduate program focused on computing, programming, and cutting-edge technology. It also states that students gain expertise in algorithms, data structures, software development, AI, and networking. Another box below titled "Key Subjects" lists several topics: Programming Languages, Data Structures & Algorithms, Database Management Systems, Artificial Intelligence & ML, Computer Networks, and Operating Systems. The footer is blue and contains the text "© 2025 B.Tech CSE Department | Gopal Krishna Shukla". The system tray at the bottom shows various icons and the date/time "1/25/2026 1:03 PM".

Practical 7 :-

The screenshot shows a web browser window with the title "Advanced CSS Styling" in the tab bar. The URL in the address bar is "http://127.0.0.1:5500/Practical_7.html". The main content area features a large purple header with the text "Welcome to My Stylish Page" and a subtext "A page styled with box model, margins, padding, borders, and more!". Below this is a light blue section with the heading "About Us". It contains the text "We create visually appealing websites using only internal and inline CSS, demonstrating the power of the box model, padding, borders, and more.". Further down is a section titled "Features" with three colored boxes: white for "Responsive Design", pink for "Interactive Cards", and light blue for "Modern Style". Each box contains descriptive text about its respective feature. The system tray at the bottom shows various icons and the date/time "1/25/2026 1:04 PM".

A screenshot of a web browser window displaying a website titled "Advanced CSS Styling". The URL in the address bar is http://127.0.0.1:5500/Practical_7.html. The page features a purple header with the title "Our Services". Below the header are three white rectangular boxes with rounded corners, each containing a service name and a brief description. The first box is labeled "Web Design" with the description: "Beautiful, functional websites designed to impress your visitors.". The second box is labeled "CSS Styling" with the description: "Advanced CSS techniques including box model, gradients, shadows, and hover effects.". The third box is labeled "Consulting" with the description: "Professional guidance to help you achieve stunning web designs efficiently.". The footer of the page includes a "Contact Us" section with a "Email Us" button, followed by a copyright notice: "© 2025 My Stylish Page. All rights reserved." The system tray at the bottom shows various icons and status information.

Practical 8 :-

A screenshot of a web browser window displaying a login page titled "Login". The URL in the address bar is http://127.0.0.1:5500/Practical_8.html. The page contains a central form with fields for "Username" and "Password", and a "Login" button. The system tray at the bottom shows various icons and status information.

Practical 9 :-

The screenshot shows a web browser window with a pink header bar. The address bar displays the URL http://127.0.0.1:5500/Practical_9.html. The main content area features a blue-to-red gradient header with the text "SmartLearn" and "Learn Anywhere, Anytime". Below the header is a navigation bar with links for "Home", "Courses", "Batches", and "About". A large central section is titled "Join Our Live Online Classes" with the subtext "Flexible schedules and expert mentors." and a "Join Now" button. Below this is a section titled "Our Courses" with three categories: "Web Development", "Data Science", and "Marketing". The Windows taskbar at the bottom shows various pinned icons and the system tray indicating the date and time as 1/25/2026.

The screenshot shows a web browser window with a pink header bar. The address bar displays the URL http://127.0.0.1:5500/Practical_9.html. The main content area displays three course cards: "Web Development" (Learn HTML, CSS, JS & React.), "Data Science" (Master Python & ML basics.), and "Marketing" (Boost brands with SEO & Ads.). Below these cards is a section titled "Upcoming Batches" with three batches: "Web Dev" (Starts Nov 5 | 12 Weeks), "AI Basics" (Starts Nov 10 | 10 Weeks), and "Design" (Starts Dec 1 | 8 Weeks). At the bottom is an "About Us" section stating "SmartLearn offers high-quality online learning led by industry experts." The Windows taskbar at the bottom shows various pinned icons and the system tray indicating the date and time as 1/25/2026.

Practical 10 :-
