Practical 20 :-

The screenshot shows a web browser window with a dark-themed portfolio website. The title bar reads "Gopal Krishna Shukla Portfolio". The URL in the address bar is "http://127.0.0.1:5500/Practical_20.html". The page content includes a header with the name "Gopal Krishna Shukla" and navigation links for Home, About, Skills, Projects, and Contact. A "Toggle Mode" button is located in the top right corner. The main section features a large heading "Hello, I'm Gopal Krishna Shukla" in white, followed by the text "Web Developer | Frontend Enthusiast | Portfolio Demo" and a "View My Work" button. The taskbar at the bottom shows various pinned icons and system status.

The screenshot shows a web browser window displaying the "About Me" section of the portfolio. The title bar and URL are identical to the previous screenshot. The page content features a large heading "About Me" in white. Below it is a paragraph of text: "Hi! I'm Gopal Krishna Shukla, a passionate web developer. I love building beautiful and functional websites. I enjoy learning new technologies and applying them in real projects." The rest of the page is blank, showing the dark theme. The taskbar at the bottom is visible.
